Pursuant to 37 C.F.R. §§1.56 and 1.97(d), applicant brings to the Examiner's attention the documents listed on attached Form PTO/SB/08 and cited in an office action issued in the counterpart Japanese patent application. Copies of the listed documents are attached. Applicant respectfully requests that the Examiner consider the documents listed on attached Form PTO/SB/08 and indicate consideration thereof by making an appropriate notation on this form.

The present Information Disclosure Statement is being filed after a Notice of Allowance, but before payment of the Issue Fee, and therefore Applicant is submitting

Pursuant to 37 C.F.R. §§ 1.97(e) and 1.704(d), Applicant states that each item of information contained in this Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart foreign application not more than thirty days prior to the filing of this Information Disclosure Statement. Since the Applicant is filing the Information Disclosure Statement within 30 days of mailing of the communication from a foreign patent office, Applicant respectfully requests that the Examiner consider the Information Disclosure Statement without loss of any Patent Term Adjustment as a result of this filing and that the Patent Term Adjustment of 118 days remain unchanged.

**The documents listed on the accompanying Form PTO/SB/08 are in a non-English language. In lieu of a statement of relevance or translation of the non-English documents, enclosed is an English-language translation of the Office Action from the Japanese Patent Office in the counterpart application citing these documents and setting forth the relevance thereof.**

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and applicants determine that the cited documents do not constitute "prior art" under United States law, applicants reserve the right to present to the Office the relevant facts and law regarding the

appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
